Dear Mr. Ramsey:

Re: Permit Review Status, Barney's Canyon Mine Plan Amendment,
M/035/009, Salt Lake County, Utah

On December 19, 1991, the Division received Kennecott's plan for the Barney's Canyon Mine Amendment. Due to a backlog of other permit reviews, the Division will not be able to complete a review of this plan within the usual 30-day timeframe. Please accept our apology for the delay and any inconvenience this may cause you.

We hope to complete our review of your application within the next 30-60 days. We appreciate your patience and understanding in this regard. Please contact me if you have questions or concerns with this proposed review schedule.

Sincerely,

Holland Shepherd
Senior Reclamation Specialist
